Questions to consider this week:

1. Has God ever surprised or even disappointed you by not doing what you think He should or vice-versa? In what ways? How have you handled those times?
2. What does Jesus display about His Kingship in this passage?  
(See also: *Matthew 21:1-11; Mark 11:1-11; Luke 19:28-40.*)
3. How do you see each of the following ... A greater and more glorious: plan, Saviour and salvation than we could ever design, create or hope for?
4. How does this perspective help us now (*Romans 8:18-24*)  
and help us look forward with eager anticipation to eternity (*Revelation 7:9-17*)?
