 - James 1:19-20
 - Ephesians 4:26-27
 - Exodus 20:5
 - Numbers 25:11

3. See _____ for what it truly is.
 - Romans 6:23
 - Romans 3:23

Questions to consider this week:

1. Why is wrath an important characteristic of God? How are wrath and jealousy different for God rather than most human expressions of them?
2. How often are we being challenged by Scripture when we read it? When was the last time we had to reshape our view of something because of Scripture? Why is this important?
3. With which place in the Bible would we feel the least familiar? Does it have something important to communicate to us? Why is it in our Bibles and how would we go about uncovering and understanding difficult or unfamiliar parts of our Bibles?

The LORD is slow to anger and great in power, and the
LORD will by no means clear the guilty. His way is in the whirlwind and storm,
and the clouds are the dust of His feet. (Nahum 1:3; ESV)
