**Questions to consider this week:**

1. How does music help us learn? What is it about music that often impacts us deeper than just memorization or reasoned arguments?

2. How does Deuteronomy 30:1-10 differ from much of the rest of the Mosaic Covenant? How does it lead to the New Covenant in Jesus (also in Jeremiah 31-33)?

3. How does "God with us" develop/change from the Garden of Eden through the Old Testament? How does the idea of "God with us" change again with Jesus our Emmanuel? What does "God with us" look like in the future we wait for?

*What is conceived in her is from the Holy Spirit. She will give birth to a son, and you are to give him the name Jesus, because he will save his people from their sins. All this took place to fulfill what the Lord had said through the prophet: "The virgin will conceive and give birth to a son, and they will call him Immanuel" (which means "God with us").
