Missionary of the Week

Les & Rita Peters

Serving in: Guatemala **with** Impact Ministries

Schools are back in session! In Guatemala the school year runs from January to October so students are just starting their new grades and getting to know new teachers. Some are starting school for the very first time.

Thank you to everyone who gave to the Build a Brighter Future campaign. Over \$110,000 was raised and matched and those funds are already getting put to use in school programs, teachers, and educational resources at the Vida schools.

Please pray:

- for the families who are still deciding whether to send their children to school or not.
- for the teachers and students – that they would start the year well.
- for all the short-term missions teams that are coming down in the next few months.
