**Questions to consider this week:**

1. What does your prayer life look like? (structured/spontaneous, routine/sporadic?)
2. Why do you think it is easy for us to ignore our susceptibility to fail?
3. What does Jesus example in this passage and His teaching in Matt. 6:5-15 teach us about prayer?
4. Look at other times the word "watch" is used in the context of prayer. Col. 4:2; Neh. 4:9; Lk. 21:36; 1Pet. 5:8; Ps. 130:6; Hab. 2:1-4
