

MISSIONS PROJECTS 2025

1. Greg & Shelli Neufeld

Bible Safari Curriculum

– Funds for Bible Safari Curriculum. This website is instrumental for the churches in Latin America to access the material and course information.

Funds for Miguel Alatraste's Medical Needs.

- Former gang member who now shares the love of Christ in Hermosillo. He needs dialysis & medication and the funds designated are almost gone. These regular dialysis treatments, however, have given him an opportunity to share Jesus with many, through the multiple hours spent at the hospital.

The WINGS Project

-This provides safe housing and/or Bible College for kids coming out of orphanages.

2. Ramon & Christa Unrau

Personal Needs – Anywhere from \$10K to \$15K- to cover their out-going costs, such as headsets, travel visa costs, medical costs, shipping belongs to the field, and actual travel costs to the field.

Bible Boxes delivered by pilots in Papua New Guinea

-These are both written & audio Bibles available in different languages for the various tribes they encounter. The solar audio Bibles are especially welcome because they can include worship songs, Bible stories and Bible courses and the people enjoy listening to an actual voice.

3. Amir & Nadia Younas

Personal Needs -They have not been back to their home in Pakistan for over 5 years due to lack of funds. They have lost several family members, including his brother, who also served Jesus. On top of this, they have a home that their family uses, which has been severely damaged by floods.

***DONATIONS CAN BE PLACED IN THE MISSIONS PROJECTS BOX IN THE FOYER. PROCEEDS WILL BE SPLIT 3 WAYS BETWEEN MISSIONARIES TO BE USED TOWARDS THEIR PROJECTS/NEEDS.**
