Questions to consider this week:

1. What does your daily prayer life look like?
2. Who do you think prayer is most for (God, others, ourselves)? If God only 'answers' prayers that are according to His will, why pray?
3. How does passion, persistence and praying with others exemplify our faith?
4. Read 2 Kings 18 and 19. Discuss how God reinforces Himself as the only hope, regards Hezekiah's passionate plea and rewards his faith.
