**Questions to consider this week:**

1. How do we recognize godly leadership as opposed to worldly? What are the results of one versus the other?
2. What places are we currently engaging in leadership in our home, work, or community? Can others see Christ in how we lead? Why or why not?
3. What practices, habits, and temperaments do godly leaders embody? How might these be implemented by us as examples of what it means to imitate Christ?

*Whoever would be great among you must be your servant and whoever would be first among you must be your slave, even as the Son of Man came not to be served but to serve, and to give his life as ransom for many. (Matthew 20:26b-28; ESV)*
