Questions to consider this week:

1. Death is often an uncomfortable topic. How would you define death? What is your experience with it?
2. Have you ever dealt with someone with suicidal thoughts? What, do you think, brought them to this place? What help is needed?
3. Read James 1:14-15 and Romans 6:15-23 and discuss why death is the natural result of sin.
4. How, then, does Romans 6:10 and 3:19-26 indicate that Jesus' death addresses our sin and it's consequences?
