### **Questions to consider this week:**

1. What cost has it been to follow Jesus? To others you know?
2. Read John 6:41-69 and interact with Peter's statement in 6:68. What similarities do you see with Paul's statements in Philippians 3:1-16. How does this apply to our lives?
3. Read Psalm 84. How does a Psalm like this help keep us in the proper perspective when enduring the cost of following Jesus?
