The Evangelical Fellowship of Canada has sent us letters with information on the critical point we are at with MAiD legislation and how we can take action and pray effectively. Pick one up from the counter if you would like one.

Missionary of the Week

Franklin & Kaitlyn Sequera

Serving in: Spain with SEND International

Thank you for continuing to pray for us! Our oldest daughter (Camila) was not accepted into the school we were hoping for, but we have found another option for her. Please pray for her school year ahead and that God will provide the funds we need to pay for this year.

Please continue to pray for Fabi and her adjustment in Spain. Although she is in the same school and with her mom, this is the first time that Cami and Fabi have been separated in their whole lives. Pray for both of them and for us as we miss Fabi a lot.

Bella has finally adjusted to the time zone (Praise God!) Please pray for her adjustment to Spain. She has not been her happy self recently and we miss our happy little girl.

Pray for Franklin and I, as we adjust to Spain and re-experience culture shock. We are missing Canada lots but know we are where God has called us to be.

Thank you for your prayers and support. We are blessed.
