### Questions to consider this week:

1. Why do you think the people misunderstood who Jesus really was? How have you misunderstood who Jesus really is? Who or what have you wanted Him to be?
2. How is Jesus a better King than what the people wanted? Than you “wanted”?
3. Jesus is the King, who’s Kingdom is already, but not yet fulfilled. What does that mean? What else is “already, but not yet”?
4. What is our proper response to who Jesus is?
